Club President

Dave Fox

*offers a cordial invitation to all Members
to his*

President's Day

on

Friday 7th June 2024

Bowling starting at 1.30 p.m. with a charity "Spider"

(Proceeds in aid of Impaired Bowling Association)

Followed by a

sit-down meal at 4.30p.m. and live musical entertainment from 6.30 p.m.

Raffle proceeds to Club funds. Prize donations welcomed.

Please see the main noticeboard in the clubhouse to register your attendance. As many members as possible are urged to play (*teams to be drawn on the day*). Wives/Partners and Members unable to play in the afternoon are invited to attend the meal and/or entertainment. Please indicate numbers in each column on the notice to book places.

CHANGING ROOM TIDINESS

Members are reminded that no kit or other equipment/materials are to be left in the changing room unless in one of the lockers. In the run-up to the County fixture scheduled for 13th June, this requirement will be rigidly enforced. Anything left in the changing room will be removed to the rear store.

Please ensure full future compliance with this requirement to avoid possible inconvenience and embarrassment.

REAR STORE RE-ORGANISATION

The store at the rear of the clubhouse is to undergo an annual re-organisation and "tidy-up", during which all clearly unused and redundant kit will be disposed of. If you make use of the store to house your kit between matches (*rather than in one of the rented lockers*) please make sure that it is clearly marked and identified to avoid the possibility of it being disposed of in error.

Any concerns on this matter should be raised with Green Ranger, Mick Parker.
