### Art Exhibition On 31<sup>st</sup> and 1<sup>st</sup>

The club was taken over by the Art Group to display their work and raise money for our club.

Considering the weather there was a steady flow of visitors, family members and friends. The atmosphere was very pleasant and it was nice to see everyone socialising and enjoying the food and drink available.

The event took £1131 which included £337 for the artists and less food costs £181 made £612.70 for club. Art group money £215 which was used as float and a donation for food of £100 means a total of £927.70 will go to club funds also any bar profits This would not be possible without the hard work of the Group, Members, Social Members and Bar Staff, so a big **THANK YOU** to everyone involved.

## WHAT'S GOING ON?

### **A review of current issues being dealt with by the Board and Management Committee**

#### **Competitions**

The continued lack of a Competitions Secretary remains a particular matter of serious concern. In order to ensure the launch of this Season's schedule, a sub-committee of Board and Management Committee members will be formed to make the draws.

A vacancy also exists for a Safeguarding Officer.

In the meantime, a repeat urgent call for someone to "step up to the plate" to assume responsibility for the progress of the competitions is being made. Full guidance and support will be given. No previous experience is necessary. Simple commitment to the success of the Club and the well being of fellow members is all that is required.

If you would like further details, please contact Chairman, Dave Anderton or Club Secretary Jenny Dewick. Contact details will be found in this year's Fixture Lists handbook.

#### **Annual membership subscriptions**

The rules governing subscriptions, offering free first year's membership followed by a 50% reduction in the second year's membership, was changed this year. New Members, from now on, will be offered a 50% reduction in the first year, followed by the full fee in subsequent years.

However, the Board has decided that, in fairness, those who joined last year, under the previous rules, will still be entitled to the promised 50% reduction in the current (second) year.

#### **Finances**

While there is no current cause for serious concern, Club finances remain "tight" with strict control over expenditure necessary.

The situation has been eased by a generous donation from the estate of the late Mark Newman and the renewal of Patron status from those companies now identified on the back page of this Newsletter. If anyone has any suggestions for other local companies that might benefit from an association with the Club, please contact Club Development Director, Colin Grimes.

Consideration is being given to the submission of a grant application to Sport England to meet the cost of further upgrading of the green surrounds, to make them more spectator friendly and adaptable for social activities.

A new commercial dishwasher has had to be purchased to replace the old machine which has outlived its useful life and could not be further repaired.

Discussions between the Club, the Town Council and Water Plus continue, in an effort to reduce our water bills, by accessing a rebate for charges relating to water used to irrigate the green.

Members are reminded that payment for Club services and Bar purchases can now be made by Credit Card.

#### **County recognition**

The Board have been honoured to accept an invitation from the County to host the Under 25's Semi-Finals and Finals competitions on Sunday 25<sup>th</sup> June. Please make a note in your diary to come along to see the future of County sport in action.

#### **Green maintenance**

It has been agreed that the current contract for green maintenance should be extended for another year. Roger Stone has indicated that this will be his final year as Green Ranger. Anyone interested in the possibility of taking over at the AGM in October should contact Roger.

#### **Fixture correction**

Please note that the Loughborough Triples League Fixture for 10<sup>th</sup> July should show the Swords playing at **Home** and not Away, as shown in the current listing.

#### **Advertising and promotion**

In readiness for the first Club Open Day on Saturday 22<sup>nd</sup> April, new "teardrop" flag to encourage new membership enquiries has been delivered.

: THESE SHOW FLAG AS SEEN FROM EITHER SIDE

The following Press Release has been issued to all local media to promote the event:  
**“BOWLING’S EXCITING NEW FORMAT LAUNCHED**

The “Bowling Bash” – an exciting new format for beginners and experienced players alike - is to be launched on the bowling green in Central Park in Syston on Saturday 22<sup>nd</sup> April starting at 2.00 p.m.

Cricket has its T20.

Bowling has now developed a similarly exciting short-form format to attract more players to what is quite wrongly identified as a game reserved for the older generation.

The game is suited to all ages and genders.

Each game lasts no more than an hour. Participation is free of charge and no special equipment – other than footwear without heels - is required. The clubhouse Bar will be open for players and spectators.

A warm welcome is offered to all. Simply turn up and enjoy the challenge. Meet new friends. Learn a new skill”

### **Web site**

Thanks to the generosity of (Councillor) Mark Cherry and his company, Green Stripe Media, working closely with Development Director, Colin Grimes, the Club web site has been fully revised and upgraded. The same address - [www.systonbowlingclub.org](http://www.systonbowlingclub.org) – gives access. The former site, initiated almost 20 years ago (one of the first for a Bowling Club in Leicester) had begun to show its age and was in serious need of an upgrade. Green Stripe have generously carried out the design work and will continue to manage the site free of charge until further notice. We are grateful to Mark for his generous support for our Club.

We are equally grateful to Robert Harrison and staff at Association Enterprises Ltd for their hosting of the site, also free of charge, since its inception.

### **Coronation weekend**

The clubhouse will be open to the public in support of the Coronation Picnic in the Park event being organised by the Town Council on Sunday 7<sup>th</sup> May. Bar Director Ken Renshaw is appealing for volunteers to help run the Bar during the event which could help to generate significant and much-needed income for the Club.

### **Civic Reception**

The Club will once again be strongly represented at the Town Council Civic Reception to be held in the Community Centre on Friday 28<sup>th</sup> April. The Chairman of the Council, Councillor Tom Barkley, organises the annual event to celebrate and thank all organisations and individuals whose efforts help to improve the quality of life for members of the local community. The Club is honoured to be included in that list.

### **11. Newsletter archive**

If you look on the web site - **ORGANISATION/NEWSLETTERS** - you will find copies of every Newsletter published since issue No 24 in 2008! Talk about nostalgia being a thing of the past! Well worth a visit!

### **12. Thanks – and Help!**

Thank you to everyone who has helped to “Spring Clean” the clubhouse in preparation for the new Season.

All Members are urged to take steps to keep the premises clean and tidy – especially the changing rooms where, you are reminded, the storage of kit is not permitted except in lockers. (*A few remain available to rent.* Contact Val Foreman.) Anything left will be moved to the rear store and be disposed of if not claimed within a reasonable time.

### **Club Library**

**The Club library stock has been reviewed with some titles passed to local charity shops and others in poor condition sent for re-cycling. Books are presented in alphabetical order of author. It would be appreciated if this arrangement could be sustained by replacing books in the same place after examination and placing any new stock in the box**

## Club Library

The Club library stock has been reviewed with some titles passed to local charity shops and others in poor condition sent for re-cycling. Books are presented in alphabetical order of author. It would be appreciated if this arrangement could be sustained by replacing books in the same place after examination and placing any new stock in the box provided under the shelves to be sorted in due course. New stock of fiction and autobiographies is always welcome but non-fiction volumes - on such things as cookery and gardening - are not especially popular among our readership. In addition, there is little or no demand for CD/DVD donations, which would be better sent direct to charity shops. 50p to borrow or buy books or jigsaws continues to offer value for money and the service raises a significant amount of money for the Club each year.

**And on a lighter note .....**

## How the Internet Started *(according to Biblical scholars)*

In ancient Israel, it came to pass that a trader by the name of Abraham Com did take unto himself a healthy young wife by the name of Dorothy.

And Dot Com was a comely woman, large of breast, broad of shoulder and long of leg. Indeed, she was often called Amazon Dot Com.

And she said unto Abraham, her husband, "Why dost thou travel so far from town to town with thy goods when thou can trade without ever leaving thy tent?"

And Abraham did look at her as though she were several saddle bags short of a camel load, but simply said, "How, dear?"

And Dot replied, "I will place drums in all the towns and drums in between to send messages saying what you have for sale, and they will reply telling you who hath the best price. The sale can be made on the drums and delivery made by Uriah's Pony Stable (UPS)."

Abraham thought long and decided he would let Dot have her way with the drums.

And the drums rang out and were an immediate success. Abraham sold all the goods he had at the top price, without ever having to move from his tent.

To prevent neighbouring countries from overhearing what the drums were saying, Dot devised a system that only she and the drummers knew. It was known as Must Send Drum Over Sound (MSDOS), and she also developed a language to transmit ideas and pictures - Hebrew To The People (HTTP).

And the young men did take to Dot Com's trading as doth the greedy horsefly take to camel dung. They were called Nomadic Ecclesiastical Rich Dominican Sybarites, or NERDS.

And lo, the land was so feverish with joy at the new riches and the deafening sound of drums that no one noticed that the real riches were going to that enterprising drum dealer, Brother William of Gates, who bought off every drum maker in the land. Indeed he did insist on drums to be made that would work only with Brother Gates' drumheads and drumsticks.

And Dot did say, "Oh, Abraham, what we have started is being taken over by others."

And Abraham looked out over the Bay of Ezekiel, or eBay as it came to be known. He said, "We need a name that reflects what we are." And Dot replied, "Young Ambitious Hebrew Owner Operators." "YAHOO," said Abraham.

And because it was Dot's idea, they named it YAHOO Dot Com

Abraham's cousin, Joshua, being the young Gregarious Energetic Educated Kid (GEEK) that he was, soon started using Dot's drums to locate things around the countryside. It soon became known as God's Own Official Guide to Locating Everything (GOOGLE).

That is how it all began. And that's the truth!

## FUNNIES

A MOTHER AND FATHER TAKE THEIR 6-YEAR OLD SON TO A FAMILY NUDE BEACH... AS THE BOY WALKS ALONG THE SAND, HE NOTICES THAT MANY OF THE WOMEN HAVE BOOBS BIGGER THAN HIS MOTHER'S, SO HE GOES BACK TO ASK HER WHY. SHE TELLS HER SON, 'THE BIGGER THEY ARE, THE SILLIER THE LADY IS.' THE BOY, PLEASED WITH THE ANSWER, GOES TO PLAY IN THE OCEAN BUT RETURNS TO TELL HIS MOTHER THAT MANY OF THE MEN HAVE LARGER THINGS THAN HIS DAD DOES. SHE REPLIES, 'THE BIGGER THEY ARE, THE DUMBER THE MAN IS' AGAIN SATISFIED WITH HER ANSWER, THE BOY GOES BACK TO THE OCEAN TO PLAY SHORTLY THEREAFTER, THE BOY RETURNS AND PROMPTLY TELLS HIS MOTHER: 'DADDY IS TALKING TO THE SILLIEST LADY ON THE BEACH, AND THE LONGER HE TALKS, THE DUMBER HE GETS.

**The Bathtub Test**

During a visit to my doctor, I asked him, "How do you determine whether or not an older person should be put in an old age home?"

"Well," he said, "we fill up a bathtub, then we offer a teaspoon, a teacup and a bucket to the person and ask them to empty the bathtub."

...

"Oh, I understand," I said. "A normal person would use the bucket because it is bigger than the spoon or the teacup."

"No" he said "A normal person would pull the plug. Do you want a bed near the window?"

ARE YOU GOING TO PASS THIS ON ... OR DO YOU WANT THE BED NEXT TO MINE?
