WISHING EVERYONE A HAPPY, HEALTHY AND PEACEFUL NEW YEAR

On December 13th some members, who attend the club roll-up on Tuesdays at Melton Indoor Bowling, enjoyed a Christmas Lunch together. The food was very good and well priced. The restaurant at the indoor bowling did us proud.

The Christmas quiz on December 15th 2022 with Quiz Master Roger Stone provided us with some fun and a brain workout!

Supper in the form of hot cobs and chips was prepared for us by Jenny and Kate

A big thank you to Roger, Jenny and Kate and to all those who attended. These events help raise money for the club to keep fees as low as possible. Well done everyone.

The Christmas Lunch was held at the club on the 16th December and 48 attended and enjoyed a lovely meal prepared for us by Sara Groome Catering team

FUNNIES

Stand proud you noble swingers of clubs and losers of balls.

A recent study found the average golfer walks about 900 miles a year. Another study found golfers drink, on average, 22 gallons of alcohol a year. That means, on average, golfers get about 41 miles to the gallon.

A lady walks into a high-class jewellery shop. She browses around, spots a beautiful diamond bracelet and walks over to inspect it. As she bends over to look more closely, she inadvertently breaks wind. Very embarrassed, she looks around nervously to see if anyone has noticed her little accident and prays that a salesperson doesn't pop up right now. But as she turns around, her worst nightmare materializes in the form of a salesman standing right behind her. Cool as a cucumber and displaying complete professionalism, the salesman greets the lady with, 'Good day, Madam. How may we help you today?' Very uncomfortably, but hoping that the salesman may just not have been there at the time of her little 'accident' she asks, 'Sir, what is the price of this lovely bracelet?' 'Madam, if you farted just looking at it, you're going to shit when I tell you the price.'

The famous Olympic skier Picabo Street (pronounced Peek-A-Boo) is not just an athlete. She is now a nurse currently working at the Intensive Care Unit of a large metropolitan hospital. She is not permitted to answer the hospital telephones. It caused too much confusion when she would answer the phone and say, 'Picabo, ICU.'

95% of electric vehicles are still on the road.
The remaining 5% made it all the way home.

An old man, a boy & a donkey were going to town.
The boy rode on the donkey & the old man walked.
As they went along they passed some people who remarked it was a shame the old man was walking and the boy was riding.
The man and boy thought maybe the critics were right, so they changed positions.
Then, later, they passed some people who remarked, 'What a shame, he makes that little boy walk.'
So they then decided they'd both walk!
Soon they passed some more people who thought they were stupid to walk when they had a decent donkey to ride.
So, they both rode the donkey.
Now they passed some people who shamed them by saying how awful to put such a load on a poor donkey.
The boy and man figured they were probably right, so they decide to carry the donkey.
As they crossed the bridge, they lost their grip on the animal and he fell into the river and drowned.

The moral of the story?
If you try to please everyone, you might as well...
Kiss your ass goodbye!

BIRTHDAY GREETINGS!
