Captain's Log

Away match against Narborough. The weather was kind to us again.

We gave them a very close game losing by only 2 points.

Not that winning is important!

The last game of the season should have been against Hinckley home at, but was cancelled as they only 7 players that were not affected by Covid.

So, I decided we should play against each other, as I did not want to finish the season without a game.

Club Captain Derek Renshaw

COLIN GRIMES,

We did not run the 2-Wood Pairs competition.

We have decided to return to the "main" boards rather than the "Covid-affected" special that you produced last year.

I look forward to hearing from you in due course to arrange your site visit.

Best wishes

Gardening Tips

Entertaining Gardens Ideas

Gardens are an extension of the home, so treat it as you would any other room *inside* your house with a careful layout that works for the lifestyle you have or want.

Here's some great ideas to create an outdoor entertaining space if you love being the host with the most!

Garden Lighting

Extend the party well into the night with the soft glow of garden lighting. You can completely change the atmosphere in your outdoor space at the flick of a switch, enhancing your outdoor experience long after the sun goes down.

Sheltered Kitchens

When planning a kitchen outdoors, shelters are great for not only protecting your cooking surfaces from rain and birds but also British weather! It also gives you the option to add heat lamps above for extra warmth

Hot tub Heaven

Hot tubs are the ultimate feature in any garden (other than a pool.) Enjoy an evening with friends with your own dedicated pool party area in your garden. Composite decking is a great choice under bare feet.

As we approach Autumn, I wanted to update you with Arthritis Action's events and resources for people with arthritis. I'd be grateful if you could circulate the information with your contacts and community resources for people with arthritis. I'd be grateful if you could circulate the information with your contacts and community.

Presentations for groups

I can offer free presentations to community groups and staff on arthritis and self-management via zoom, team or by phone. I've done several joining online with a group meeting in person, so happy to adapt to hybrid models.

Online Arthritis Action Groups

We continue to run our popular Arthritis Action Groups online, including evening groups and online coffee mornings. Join to meet others with arthritis, share tips and experiences and learn more about self-management. The full list of dates is on our website <https://www.arthritisaction.org.uk/media-centre/events/>

New Young Adult's Hub - https://www.arthritisaction.org.uk/young_adults/

We've launched a new resource for young adults with helpful guidance and tips for navigating arthritis including receiving a diagnosis, working, parenting and much more.

A FEW FUNNIES – Thanks to Pat Lilley

So I ordered only one

MALE OR FEMALE?

You might not have known this, but a lot of objects are actually either male, or female. Here are some examples

FREEZER BAGS: they are male, because they hold everything in, but you can see right through them.

PHOTO COPIERS: these are female, because once turned off it takes a while to warm them up again

TYRES: these are male because they go bald easily and are often over inflated

HOT AIR BALLOONS: also, a male object because to get them to go anywhere, you have to light a fire under butts

SPONGES: these are female because they are soft squeezable and retain water.

TRAINS: Definitely Male because they always use the same lines for picking up people.

WEB PAGES: Female because they're constantly being looked at and frequently getting hit on

HAMMERS: Male because they have not changed much in the last 5000 years at all and are occasionally handy to have around.

THE REMOTE CONTROL: Female, Ha you probably thought it would be a male but, consider this it easily gives a man pleasure he'd be lost without it and while he doesn't always know which buttons to press, he just keeps trying.

Thanks to John Lamble

Please remember the 2nd Saturday each month it is Coffee morning at 10.30 am

Every Wednesday afternoon we have a quiz from 2pm
