Letter to the Editor

Hello

I just wanted to drop a line to say how good your web page is. I have thoroughly enjoyed looking at your photos and in particular your past Presidents and Honours Boards (both Ladies' and Men's). My grandparents, **Alf and May Newman** were both Presidents in the 70's and they both enjoyed many years of bowling at Syston as well as in Sunday league matches and indoor bowls with other clubs.

I attended many functions held in the old clubhouse in my late teens and early twenties, not least of which were my Gran's President's Day celebrations, and both of my children, Victoria and Timothy (now grown up and flown the nest), and myself accompanied the Ladies on days out to Royal Leamington Spa. All remembered with fond memories.

My congratulations on the lovely clubhouse. It's a credit to all the hard work done over the years.

I don't get back to Syston as often as I would like as I now live in Manchester, but it's nice to know that a small part of the village remains unchanged, and that bowling still thrives.

I shall continue to watch from afar.

My very best wishes to you all

Sincerely

Julia Pearson (née Durgut) (By email)

Presidents sign off at the close of their busy year in office

WITH very little time left of my Presidency, I would like to thank everyone for making it such an enjoyable year. I said when I was elected as President that I would try to represent the club to the best of my ability. I do hope none of our members has been disappointed with my efforts.

A very heartfelt thank you to each and every person who has contributed to our charity enabling us to present £1100.00 to **Russell Brickett**, founder of **Wishes4Kids**.

The work on the green has been continuing and our Green Ranger, **Roger Bentley**, and retained contractor, **Chris Mews**, seem satisfied with the progress and are optimistic for next season.

Apart from the green there is another major issue to be considered and that is the extension to the clubhouse. When this matter is discussed at the respective AGMs I urge everyone to give the most serious consideration to all the implications involved and the benefits we might derive from it.

On a much lighter note I would like to thank everyone who attended our Golden Wedding Anniversary at the clubhouse on October 30th (see picture on page 5). Both **Marlene** and I were surprised and delighted at the number who came and supported us and presented us with all those beautiful cards. A special thank you to **Jan Wilbourn**, **Sheila Aindhow**, **Sheila Parker**, **Kate Toon** and **Dave Hudson**. These lovely people show the true spirit of Syston Bowls Club - ever

MY year as Ladies' President has passed quickly. It was with hesitation that I accepted the position as I had been a Member of the Club for only a relatively short time. However, my concerns proved to be unfounded as the committee gave me the help and guidance I needed.

There have been very few weeks without some sort of activity involving either the ladies only or jointly with the men, both summer and winter. This applies to the fundraising for my charity "Operation Christmas Child". The money from the bottle on the bar was shared equally between President **Peter Murray's** chosen charity and my own (even though we had a problem getting a Bank to accept the small change!)

Our ladies worked extremely hard making cakes for our stall at the **Carnival** where, as previously reported, we raised £165.10. Well done!

Another fundraising event was a morning spent covering shoe boxes with Christmas paper, then filling them with small items for children between 2 and 14 years old. These were put together with other boxes previously filled by Members so, in all, 62 completed boxes were collected to be sent to children in Romania for this Christmas.

In addition to everyone's generosity with other fundraising activities, a total of £895 was sent to the charity to help towards the expense of transportation and other

Your views, opinions, news and any other material of interest to Members would be welcomed for publication in future editions. Please send to **George Dodge**, as Editor, by the first Monday in every month

THE last garden visit of the year took place recently, when 25 members and friends of the Garden Group had lunch at **Slate Restaurant** and then went on to **Watton Gardens** to see the Autumn colours, which

were beautiful. (Pictured above among the vibrant Autumn colours: **Marilyn Wood, Norma Grimes, Pat Plowman and Christine Dodge**)

Lady Crawshaw made everyone very welcome and was answered questions concerning the gardens. The visit ended with tea and cakes with **Lady Crawshaw**, making a very enjoyable end to a lovely afternoon.

Members attending the latest meeting watched a flower demonstration by **Betty Wheatley**, which was to teach us how to make table arrangements for the forthcoming **Mens' Presentation Night**. It was decided that members willing to help with this would meet at 2.00pm on Friday, 5th November to make the arrangements for the next evening.

Details of the **Christmas Fantasia** week at **Belvoir Castle** were discussed and information on this will appear on the notice boards shortly.

We then discussed ideas for a Christmas meal but no firm decision was made and it was decided that this would be discussed again at the next meeting when more of the regular members are present.

We then talked about future fund-raising ideas, with a view to raising money for the Presidents' charities.

The next Garden Group meeting will be on **Tuesday, 23rd November at 2.00pm.**

Men's Club AGM Election of Executive

NOMINATIONS are invited for Members to serve on the **Executive Committee** of the Men's Section.

At the time of going to press, the nominations identified below have been confirmed but it must be stressed that **further nominations may be made for any of the posts up to the point at which a ballot is called at the AGM which is scheduled for Monday 6th December, 2009** starting at 7.00 p.m.

POST	NOMINEE
President:	George Dodge
Vice-President:	Brian Adams
Club Secretary:	Rob Wilbourn
Asst. Secretary:	Colin Grimes
Treasurer:	Brian Arnold
Captain:	Myles Clare
Midweek Captain:	George Stone
Competitions Secretary:	Noel Evatt
Fixture Secretary:	George Dodge
Welfare Officer:	Bob Dunlop
Vice-Captains:	Ken Renshaw Don Creasey

Catering Manager:	Vacancy
Loughborough League Capt.:	Brian Adams
Melton League Captain:	Dave Hudson

Subject to the position after elections at the AGM, it is the intention of the Executive Committee to seek to fill, by co-option, any residual vacancy to maintain a full complement of 14 members. In anticipation of such a need, the current Executive Committee have unanimously endorsed the proposal that **Pete Murray** should be co-opted as Immediate Past President.

The absence, to date, of a nominee for the post of **Catering Manager** remains a cause of special concern to the Committee. Any volunteer(s) to fill this vitally important post will be warmly welcomed.

The Club Coach Column

"**STAY** in the game," says Club Coach, **Des Eggitt**, who, this month, offers advice on the right preparation before starting a game. He advises:

As you move to the mat:

Suppress all negative thoughts

"I never play well on this green/in this position/with this Skip"

Avoid anxiety

"I **MUST** - be 'up'/avoid the wood holding shot/go to the toilet."

Such worrying thoughts, doubts and the associated unnecessary stress can result in muscle tension that inhibits a free-flowing delivery action and adversely affects performance.

The resulting delivery is likely to be poor giving rise to the old adage: "*The harder I try, the worse it gets.*"

Remaining positive and relaxed will get you back to basics and allow you to keep in the game.

Remember the 3 R's

RELAX - Clear your mind of everything around you and concentrate solely on the shot you are about to play.

ROUTINE - Bias, grip, line (*look and decide on the required line and stand accordingly*) These two represent 5% of your concentration.

REPEAT - (This is the remaining 95% of your concentration.) To give the wood the correct weight in a smooth arm delivery, you have to "feel" that weight and draw on your memory of many repetitions. Get this part right and your wood will do the rest.

ABOVE ALL, KEEP THE GAME SIMPLE AND UNCOMPLICATED BY SUPPRESSING ALL UNNECESSARY THOUGHTS AND ANXIETIES AS YOU TAKE CHARGE OF THE MAT.

If you have any particular problems on which you would appreciate the advice of our Club Coach, please do not hesitate to contact him at any time.

ready to help on any occasion. It was great to see so many people enjoying themselves just by being in each other's company.

I would like to thank **Ruth Wheeler** for all her help and friendship during the past year, I'm sure we all agree that she has carried out her duties as President in the manner that the post dictates.

Finally, congratulations to **Chris Biddles** on becoming President of the Ladies' Section and best wishes for a very successful year.

overheads involved in sending the boxes across Europe. All the money goes to this work as the helpers and drivers are all unpaid volunteers.

The highlight of my year was my "**President's Day**", an occasion I shall always remember. The committee worked extremely hard to make it a successful day and one that everyone who attended enjoyed.

I wish to thank all those who have contributed to making this year a memorable one for myself, especially the Ladies' committee for their hard work and support.

As we have already held our **Trophies Presentation** and our **AGM**, I am pleased to be able to confirm that **Chris Biddles** is our new President. I wish her a successful year and one that she will also remember.

Men's Section finances in a healthy state

Treasurer, **Brian Arnold**, reviews the end of year figures

AT the end of the financial year (31st October) the unaudited accounts for the Men's Section are in a healthy state. The two main income streams, Teas and Raffles, held up well while purchasing costs for teas were well below budget resulting in a net income of £1635 for teas against a budget of £1300 (Many thanks to **Gerry Kennell** and his love of a bargain). The net income for raffles was £580 against a budget of £700 (The result of an increase in the cost of prizes). Both areas also suffered a bit of a set-back towards the end of the season because of match cancellations in September.

On the expenditure side, most areas stayed within or below budget. In particular we did not spend anything on fixtures and fittings this year, although £500 was budgeted. The outcome has been that we made a 'trading profit' of £914 for the year against a budget forecast of only of £50.
