

Syston Bowling Club

"Highly Commended" National Club of the Year 2007

PRESS RELEASE

Date: 18 July 2011

DEFIBRILLATOR DONATED TO SYSTON BOWLING CLUB

Local company, Lafarge, identifies Club as forward-thinking recipients

Local company, Lafarge Aggregates and Concrete Limited, have donated a defibrillator to Syston Bowling Club and are providing members with the necessary training in its use.

Lafarge decided to offer the equipment, which is now surplus to their requirements, to a local organisation with sporting connections. On canvassing senior staff at the Company, Syston Bowling Club emerged as a favoured nominee both because of the age group of our Members and its reputation as a forward-thinking Club.

The equipment was presented to the Club at a special ceremony at the Lafarge premises attended by *Colin Grimes*, Club Chairman, accompanied by Presidents *Chris Biddles* and *George Dodge*.

Syston Bowling Club Ladies' President, Chris Biddles, accepts the defibrillator from John Wright, Lafarge HSQE Advisor. Club Chairman, Colin Grimes, Men's President, George Dodge and Lafarge Facilities Manager Chris Bates witness the event.
